These individuals disrespect law enforcement, fail to appear in court, avoid warrants and continue to be free in the community. The city and county will develop a short-term detention facility (STDF) that will be used to detail low-risk offenders who pose a risk to the community but are not charged with a severe crime and are not being held in the limited space at the Yellowstone County Detention Facility (YCDF). The STDF will be a detention facility with most inmates being released on a bond and/or other pre-trial monitoring after arraignment or initial appearance. The intent is for local law enforcement to regain the ability to imminently detain individuals in the community who pose a risk to the community but are not currently held at the YCDF due to a lack of available space.

To address increased crime, court case backlogs, and extended pre-trial or pre-revocation hearing status of defendants in YCAO, Yellowstone County will provide 2 prosecutors and 2 paralegals over the course of three years to address this problem. Additionally, a software upgrade is included in this to help with a faster processing for all the above.

Brief description of recipient's approach to ensuring that response is reasonable and proportional to a public health or negative economic impact of Covid-19	Felony cases are taking longer to prosecute and work through the court system putting immense pressure on the local detention facility, the district court, the prosecutors, and defense attorneys. There are more defendants awaiting trial or revocation hearing, and because there are more uncharged suspects, there are more criminal suspects and defendants on the streets in Billings.
