MINUTES – distributed electronically

Quarterly Financial Report – No Report – Derek Yeager (March, June, September, & December)

Member Presentations (10 Minutes)

Because we have so many new member agencies attending the LEPC meeting, it was decided that at the beginning of each LEPC meeting a different LEPC Agency would do a brief, 10 minutes or less, educational summary of their role in an emergency response, the role they will or can play in an emergency response or event situation, and response capabilities and resources available to them. Jen Staton has the agency order list and will reach out to the presenting agency 1-2 weeks prior in order to give them time to prepare.
